Detailed Project Description and Justification:

We need to build a backbone electric distribution system at the New Birch Grove subdivision. We have homes that had to move due to the eroding Koyukuk river bank. These people need power to their homes.

We have an estimate work order from Alaska Village Electric Cooperative Inc. this estimate work order covers the poles plus the freight, material, freight, village labor, staff in the field, labor- engineering, overhead, misc equipment, travel for staff, the service line extension for each home.

Project Timeline:

Once this is funded AVEC,inc. will process the work order number and begin ordering the material. The material list is ready to go.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Alaska Village Electric Cooperative Inc (AVEC)

Grant Recipient Contact Information:
